# ATTENTION: HIGH SCHOOL GIRLS!!

---

## Do you...

Want a fun summer camp experience with other girls?

Enjoy creating things?

Enjoy solving problems?

Want to make a difference in the world?

Do well (As and Bs) in math or science?

Are finishing your Freshman or Sophomore year?

Wonder what college life is like?

We'd like to invite you to a **FREE** residential summer camp at Miami University

## Girls on the Go: The Mobile Computing College Experience

In this camp you will:

- Help build a zoo-themed smart-phone app
- Learn about cool things you can do in computing
- Experience college life living in a Miami dormitory
- Learn about how to apply to college (and for scholarships)
- And more!!!

No computer experience needed, just your creativity!

The camp will run from July 16-20, with campers arriving at Miami University the evening of July 15th and finishing by 5 pm the 20th (later pick-up times possible with prior arrangement).

The National Science Foundation and our other sponsors will cover all camp expenses (dormitory housing, food, activities) except for travel to Miami University in Oxford Ohio. We will require a \$50 fully refundable deposit (returned upon arrival at camp) to hold your spot – we are limiting the camp to 20 girls.

**Applications are due May 15.** More information about the camp and scholarship applications are available on-line at: <http://summercamp.csi.muohio.edu>, via e-mail at [mlearning.muohio.edu](mailto:mlearning.muohio.edu) or by calling **Janet Burge at 513-529-0347**.

Scholarship notifications will be made by 1 June.
